M&G Real Estate

PRESENTERS' BIOS**Amélie Delaunay**

Director, Research & Professional Standards
ANREV

Amélie Delaunay is the Director of Research and Professional Standards for ANREV. She is responsible for the development and implementation of ANREV's Research, Performance Measurement and Professional Standards programmes in Asia Pacific, including market information and performance indices, global surveys and promotion of best practices for the industry.

Amélie has more than 17 years of experience in the real estate industry and a strong real estate consulting background initially with Ernst & Young. She has been based in Asia for more than 13 years.

Educated at the Sorbonne in Paris, where she was awarded a post graduate degree in Urban Geography, Town Planning and Real Estate, Amélie also has an Advanced Master's Degree in Urban and Real Estate Management from ESSEC Business School in Paris. Amélie is a member of the Royal Institution of Chartered Surveyors.

**Shane Taylor**

Head of Asia Pacific Strategy & Research
CBRE Global Investors

Shane Taylor is Director and Regional Head of Strategy and Research. Based in Hong Kong, he is responsible for the Firm's research function in Asia Pacific. He is also a member of the Regional Investment Committee.

Mr. Taylor joined ING Real Estate Investment Management, which is now CBRE Global Investors, in 2006. He was based in New York City, and relocated to Hong Kong in 2011 for his current role. Before joining CBRE Global Investors he spent three years as a Researcher with the Australian Housing and Urban Research Institute in Brisbane, before joining RP Data-Marketshare – a real estate consultancy in Sydney. Upon relocating to New York to pursue higher studies he undertook consultancies for the World Bank, the United Nations Development Program, and the Earth Institute. Mr. Taylor has been involved in various capacities in real estate research since 1995.

In 2013, Mr. Taylor won an ICSC award for outstanding service to the research community.

Mr. Taylor holds a B.A. (Hons) from Queensland University, a M.App.Sc in Economic Geography from the Queensland University of Technology in Brisbane and a PhD in Urban Planning from Columbia University in New York City.

PRESENTERS' BIOS

Jonathan Hsu

Director, Head of Research, Asia
M&G Real Estate

Jonathan is responsible for the development of investment views on Asia-Pacific real estate markets and makes strategic and tactical recommendations for investments across these markets, supporting the investment objectives of M&G Real Estate property portfolios. He works closely with the team based in London. Prior to joining the business, he was Associate Director at Invesco Real Estate Hong Kong, responsible for conducting market studies and presenting market views, forecasts, and key fund strategies to investors. He has also held various senior positions at CBRE Limited, Barclays and UBS in Hong Kong. Jonathan holds a B.S. in Management Science with a focus on Finance from the University of California, San Diego.
