ANREV ESG Webinar Series

ANREV is pleased to invite you to join a webinar session on 17 March 2020.

This webinar will be the first instalment in a series, which will look at material issues in the sustainability performance of real estate investments. In this series, presenters from leading organizations will take you through their ESG practices, as well as touching upon key components of GRESB's Real Estate Assessment.

In line with GRESB's assessment, the webinar series will be delivered in three different sessions, so as to cover all the assessment's components;

Session	Date	Component	Presenters
1	Tuesday, 17 March 2020	Management	APG Lendlease
2	Thursday, 26 March 2020	Performance	Lasalle CITIC Capital
3	Tuesday, 7 April 2020	Development	Investa White Peak (TBC)

Date : **Tuesday 17 March 2020**

Time : **11:00 – 11:30 (HK Time GMT +8)**

RSVP : **flora.fung@anrev.org**

Attendee : ***This webinar is open for ANREV members only***

PRESENTERS BIOS

Amélie Delaunay
Director, Research & Professional Standards
ANREV

Amélie Delaunay is the Director of Research and Professional Standards for ANREV. She is responsible for the development and implementation of ANREV's Research, Performance Measurement and Professional Standards programmes in Asia Pacific, including market information and performance indices, global surveys and promotion of best practices for the industry.

Amélie has more than 17 years of experience in the real estate industry and a strong real estate consulting background initially with Ernst & Young. She has been based in Asia for more than 13 years.

Educated at the Sorbonne in Paris, where she was awarded a post graduate degree in Urban Geography, Town Planning and Real Estate, Amélie also has an Advanced Master's Degree in Urban and Real Estate Management from ESSEC Business School in Paris. Amélie is a member of the Royal Institution of Chartered Surveyors.

**PRESENTER'S BIO**

Ruben Langbroek
Head of Asia Pacific
GRESB

Ruben Langbroek is Head of Asia Pacific for GRESB. Mission-driven and investor-led, GRESB is the environmental, social and governance (ESG) benchmark for real assets. GRESB works in collaboration with the industry to provide standardized and validated ESG data to the capital markets. More than 100 institutional investors, with over USD 22 trillion in AUM, use GRESB data to monitor their investments, engage with their managers, and make decisions that lead to a more sustainable real asset industry.

Ruben is responsible for the strategic development of GRESB in Asia Pacific, by strengthening and further developing GRESB's relationship with institutional investors, investment managers, asset operators, and industry associations.

Ruben has extensive experience in the real asset investment sector and has been working in the Asia Pacific region for the last decade. He previously worked at a Dutch fund manager, and at JLL in the Netherlands, Hong Kong and in Singapore. Ruben holds Master degrees in Building Engineering and in Real Estate, Investments.
