

**ANREV WEBINAR –
The importance of tenant engagement when
achieving environmental outcomes: Investa’s
Tenant Sustainability Toolkit**

ANREV is pleased to invite you to join a webinar session on 08 May (wednesday).

Having set a Science Based Target for emissions reductions, Investa is aware of the importance of engaging and collaborating with tenants when reducing the overall environmental footprint of its portfolio. Investa has created the Tenant Sustainability Toolkit, aimed at reaching out to, and engaging with, every single occupant of Investa’s building, extending Investa’s sphere of influence beyond traditional tenant contacts in the Tenant/Landlord relationship. The Sustainability Toolkit improves tenant engagement and interest in the environmental performance of Investa’s building, linking performance to tenant health and well-being. Join us as we share our learnings on this journey, and how an improved focus on the health of our tenants and our environment is assisting in tenant engagement scores within environmental benchmarking surveys such as GRESB.

Date : **Wednesday, 08 May 2019**

Time : **14:00 – 14:45 (HK time GMT +8)**

RSVP : **flora.fung@anrev.org**

Presenters: Ian Lieblich, Sustainability Coordinator, Investa
Megan Francis, Business Support Real Estate
Operations, Investa

PRESENTERS' BIOS

Ian Lieblich
Sustainability Coordinator
Investa

Ian has a wide array of experience having worked in international law and as a civil engineer prior to joining the sustainability team at the Investa.

Working in the Sustainability team at Investa, Ian has helped shape the Funds' responses to climate change, dealing with the physical and transitional risks and opportunities posed by climate change in accordance with the TCFD's recommendations.

In addition to his role at Investa, Ian has continued involvement with an NGO lending capacity support and assistance to Small Island Pacific Nations on the front line of the fight against climate change. This work has taken him to the last three UNFCCC Climate Change Conferences including the historic 2015 Paris Conference of Parties where the Paris Agreement was signed.

Ian holds Bachelors of Laws (Honours) and Civil Engineering (Honours) from Monash University.

Megan Francis
Business Support Real Estate Operations
Investa

Megan has worked in the property industry for over 5 years supporting several business sectors during this time including commercial sales, leasing and projects.

Working with the Investa Real Estate Operations team, Megan provides project support for Business Operations, Projects and Sustainability Initiatives and administrative support for the asset and facilities management teams.

Megan is currently studying her Bachelor of Business Administration at Australian Catholic University.
