Speaker Bio

Christopher Chiang
Head of Global Real Estate, Asia Pacific
Credit Suisse Singapore

Christopher Chiang is the Head of Global Real Estate for Asia Pacific. He joined the Credit Suisse Asset Management's direct real estate business in 2016 and is responsible for leading the coordination of all regional real estate activities in Asia Pacific.

Christopher has over 16 years' experience in real estate investment banking, private equity and debt capital markets and general corporate finance advisory across Asia Pacific. Prior to joining Credit Suisse, he was with CBRE Capital Advisors where he was a Senior Director responsible for the South East Asia region.

Credit Suisse Global Real Estate is one of the 15 leading real estate platforms globally, with an AUM of over CHF 45 billion for direct investment vehicles. The platform invest a wide variety of funds across multiple strategy (Core, Value-Add), and across multiple real estate sectors (Commercial, Logistics, Residential, Hospitality). The platform also follows the principles of the Global Reporting Initiative (GRI), and participates in Global Real Estate Sustainability Benchmark (GRESB) with all funds and achieved Global and Regional Sector Leadership.
